

Westwild Fan Content Policy

Permission for stories, journals, serial fiction and web novels set in the world of Westwild.

Permission granted. You may write your own original stories, web novels and serials set in the world of Westwild, and publish, give away, serialize or **sell** them. It is free: no fee, no royalty, no permission needed. The author takes no cut of what you earn and will not ask for one. The price is credit. More people writing in the world is welcome.

Westwild's setting, lore, characters and the Gazette remain copyright Anthony "Othello" Merriweather, all rights reserved. This policy is a standing permission on top of that. It is not an open-source or Creative Commons license.

Credit is required

"Set in the world of Westwild by Anthony 'Othello' Merriweather. This work is unofficial fan content and is not canon."

Plain-English summary

You may	You may not
Write journals, novellas, web novels, serials and side stories set in the world.	Claim your story is official Westwild canon or an official release. Nothing fan-written is canon; it is your own version of the world in text form.
Publish for free or for sale, with credit.	Claim ownership of Westwild, its places, factions, characters, history or rules, or register them.
Own your original words, plot and your own new characters, including your own player character.	Contradict or rewrite the established lore and present that as how Westwild is.
Refer to the world and its lore in your own words.	Republish or paste the lore documents, rules text, maps or art, or suggest the author wrote or endorses your work, or use the Westwild name as your product's title brand.

What this does not cover (ask first)

Game modules and adventures, apps, merchandise, audio or video adaptations, AI-written fan stories, and anything that uses the rules text or code commercially. Email support@wordblocklabs.com.

Rules text

The Westwild rules are open to play and use: read them, play them, run games, stream your own play. Republishing, adapting or selling them needs permission. See the Westwild Rules Play-and-Use License.

Changes

The author may withdraw this permission for future works with written notice. Works already published under it stay allowed.

This policy is a practical creator-use notice for Westwild, written by the author's assistant. It is not legal advice and is not a substitute for a separately negotiated publishing contract. Westwild by Anthony "Othello" Merriweather, WordBlock Labs. wordblocklabs.com/westwild
